## Privacy Policy

Last updated: October 29, 2019

Michael Zhu operates https://github.com/mbzhu1/oskibot and the OskiBot chatbot built on Cisco Webex. This page informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from users of the Site.

We use your Personal Information only for providing and improving the Site. By using the Site, you agree to the collection and use of information in accordance with this policy.

**Information Collection And Use**

We do not collect or use any information from the user. The application is purely for entertainment and/or productivity usage and doesn't request any personal data from the user.

**Log Data**

We do not log any data from the user. The message logs are stored locally on the user's device and we cannot access them from the developer side.

**Communications**

We do not collect personal information so we cannot contact users directly. The only communication we will have with users is if they contact us with questions and through their usage of the OskiBot chatbot.

**Security**

The security of your Personal Information is important to us, but remember that no method of transmission over the Internet, or method of electronic storage, is 100% secure. While we strive to use commercially acceptable means to protect your Personal Information, we cannot guarantee its absolute security. One of the ways we try to protect your personal information is by not asking for any.

**Changes To This Privacy Policy**

This Privacy Policy is effective as of October 29, 2019 and will remain in effect except with respect to any changes in its provisions in the future, which will be in effect immediately after being posted on this page.

We reserve the right to update or change our Privacy Policy at any time and you should check this Privacy Policy periodically. Your continued use of the Service after we post any modifications to the Privacy Policy on this page will constitute your acknowledgment of the modifications and your consent to abide and be bound by the modified Privacy Policy.

If we make any material changes to this Privacy Policy, we will notify you either through the email address you have provided us, or by placing a prominent notice on our website.
